

Baby & Toddler Shoe Size Finder

- 1 Print Paper at 100% Scale. Place a credit card here to make sure it printed correctly.

No Printer?
See Page 3 For
Instructions.

- 2 Cut Out The Ruler.
- 3 On a Separate Sheet of Paper: draw a line at your child's big toe, and at their heel.

Pro Tip: Go barefoot for sandals, or wear socks for shoes and boots.

- 4 Measure the Disance: between the two lines. Use that measurement to find your size on the chart below.

Baby & Toddler Shoe Size Finder

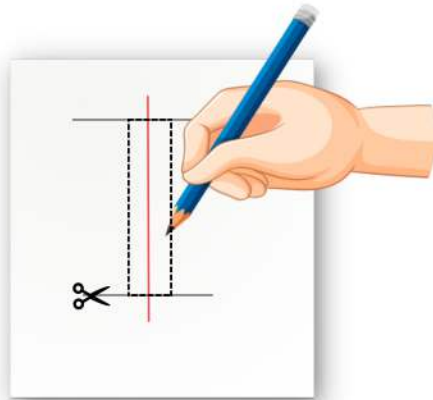

Age	US Shoe Size	Foot Length CM	Foot Length Inches		Age	US Shoe Size	Foot Length CM	Foot Length Inches
